Inc., an electronic communications service provider, located at 701 First Avenue, Sunnyvale, California, in the Northern District of California, to disclose certain records and other information, as set forth in Attachment A to the Application, the court finds that the applicant has offered specific and articulable facts showing that there are reasonable grounds to believe that the records or other information sought are relevant and material to an ongoing criminal investigation.

IT APPEARING that the information sought is relevant and material to an ongoing criminal investigation, and that disclosure to any person of this investigation or this application and order entered in connection therewith would seriously jeopardize the investigation;
